MKE Fine Craft Studio Tour

Saturday and Sunday, October 5 & 6, 2019

The MKE Fine Craft Studio Tour strives to connect Fine Craft Artists from Milwaukee and beyond to their surrounding neighborhoods. The purpose is to give the public a view into their studios and to promote Fine Craft fields and emerging and established artists.

Fashioned after the popular "Open Studio" concept, this event will be a self guided driving tour of member studios that reside in Milwaukee County. These 'Host' studios are also encouraged to have one or more guest member artist(s) so more of our members can participate.....and ideally, draw in more attendees.

We would like to invite all of our members who reside in Milwaukee County to consider being a host artist and one of the stops on the Tour. We also would like to invite all of our other artist members living outside of Milwaukee County to apply to this show as a guest artist.

Applications are now open for both Host Artists and Guest Artists. You must be a WDCC member to participate. Applications are due by March 30th. More information and the Application can be found on the show website: <https://www.mkefinecraftstudiotour.org/>
